Our School Diary

- Our School Diary will be issued to your child in Week 1.
- Every pupil is expected to bring the diary to school every day.
- The diary is uniquely designed to remind pupils to practice Stephen Covey's 7 Habits of Highly Effective People.
- The diary is an important means of communication between parents and teachers.
- Parents should encourage your child to show the diary to you daily to check for schedules and notes from the teachers if any.

Accidental Protection Plan

- Our school has put in place processes to ensure that all pupils and staff will be safe in school.
- In case of unforeseen accidents in school, the school has acquired “Accident Protection Policy” insurance for pupils.
- The School Accident Policy will be purchased for every pupil using the School Fund. Parents do not need to pay for the protection policy.
- Claims can be made for physical injuries sustained by pupils in school. Claim forms are available from the General Office.
